Wallace Anderson, Esq.,

26 Maitland Street,

Toronto.

Dear Sir:

Mr. Gibson has written to me that he wishes a printed copy of the sermon preached by Bishop Hughes in Convocation Hall last Sunday morning. Will you kindly tell him that Bishop Hughes has left no copies of the sermon and I do not know whether he has it printed? Possibly if he were to write directly to Bishop Hughes at San Francisco he might be able to supply him with a copy.

Yours sincerely,

President.
